

## Mistletoe Bay Eco Village

For everyone naturally – he taiao mo tatou katoa

### Conservation & Sustainability & EatFit - Student Feedback and Action

You have participated in two very unique programmes among other adventure and challenge activities during your “Mistletoe Experience”.

The Mistletoe Bay Trust is delighted that you have spent time here in beautiful Mistletoe Bay and it is our hope that you have learned from your experiences and that you take home with you some new thinking in relation to the importance of caring for the environment and sustainable living and how this relates to your personal health and wellbeing.

We ask that you take just a few minutes to tell us what you have learnt and what changes you are likely to make in your own living at home, at work, at school.

Thank you  
Mistletoe Bay Trustees
